

## FIM AFRICA STRATEGY WORKSHOP

10/11 SEPTEMBER 2011

### VALUES

FIM AFRICA BELIEVES IN
Recognising value of being a body of the FIM and promoting FIM AFRICA as such
Fairness, inclusion (no discrimination between gender, religion or culture), equal treatment, consistency, conformity and transparency must guide all decision processes
Uniting countries/FMNs and developing closer communication between various FMNs
Excellence, professionalism in hosting and organisation of all CONU events, including highest standards of safety
Providing education and training for both individuals and FMNs to ensure FIM AFRICA's vision is met
Acknowledging and recognising the passion and commitment of volunteers and ensuring that they are retained (through appropriate motivation/award incentives) and encouraged to develop
Consistent application of rules and regulations, incorporating changes in recognition of development needs
Financial sustainability and accountability (including to FIM) is vital for the CONU
Ensuring Environmental Sustainability and creating environmental awareness in all countries
Contributing to research in respect of alternative fuels/more environment friendly ways of powering motorcycles
Promotion of women – not only within CONU, but also within FMNs
Promoting the benefits of motorcycling as transport and for leisure activities
Supporting and initiating Road Safety programmes throughout the continent to draw awareness to motorcycle road users
Ensuring that FIM AFRICA Continental Championships are recognised
